## “ Dear Loving family,

Times like these are so hard especially when it involves such a loving sweet one like Carolyn.

I came to know Carolyn when I was coaching (soccer) her talented grandson Donovan. Carolyn never missed a game, she was always there not just for Donovan but for the whole team. She was very kind, sweet, great spirit and soft spoken lady, full of life and time for others. You could just see Jesus in her. We became a family. Rest Carolyn, you have served and made a difference in others' lives. You're now in a good place, praise the Lord.

Its not easy but we shall encourage ourselves in the Lord.

May peace of God that goes beyond human understanding rest upon you family as you navigate through this time. May Jesus be your continuous hope and know that He has you in the palm of His hands.

In Matthew 5:4 I am reminded how the Lord Himself has promised to comfort you all through this time.

Our hearts share in your grieving; and praying for your total comfort in the Lord.

We dearly love you.
