“ Connie, Jay, Lisa and Gayle and the rest of the family. I am very sorry and my prayers are with you all. Ralph took Chad under his wing like a son. I am sure they are having a party together right now in heaven. He was a special man and will be greatly missed! Sending love to you all during this difficult time! Julie Murphy(Veach)

“ Connie,
We visited with Ralph about 3 weeks in Jay C parking lot. He was quite a man. I know you all will miss him dearly. If there is anything you need, please feel free to give us a call. You're in our prayers.

“ Connie, Lisa, Gail, and Jay, I am so sorry for your loss. Ralph was a good guy. I don't do funeral homes unless I have to. Hope you understand. My fondest memory of Uncle Ralph was of him holding my first born with one arm. It scared me. Prayers for all of you during this time of loss.

“ Just want you all to know what a privilege it was to care for your loved one, Ralph. It was obvious how much he loved his family. He always seemed to be in good humor and kind no matter the situation. Thank you all for allowing me to be a very small part at the end of his days on earth looking toward Heaven. God bless you all!

“ Johnson Street and the Boulevards will never be the same without Ralph Gerth. He loved Connie and all three of his kids and talked about them often. He was never without a joke and a laugh or a smile. We will sure miss his hunting and fishing stories.

I'll miss, most of all, the man. His carpenter skills were unmatched. His philosophy was do it right.....or don't do it. Oh, how we will miss him driving his four wheeler down the alley with that big grin on his face. Ralph wasn't much for "fancy:.....he was just Ralph. I liked that about him. If we needed to borrow a tool, Ralph had it. A person never had to guess what he was thinking because he'd tell you. I liked that. I loved his honesty, his sarcastic sense of humor and that grin. You never really knew how much you'd be missed. Rest in heavenly peace, Ralphie. You will always be Ralphie to me..
